

# High visibility package

Industry leading operator's field of view

## Key features of Nova Bus high visibility option

### Extra-large driver's window

Enhances operator visibility and makes it easier for them to see unprotected road users by minimizing blind spots, especially when turning.

### Single windshield

Gives drivers a clear and unobstructed view of the road.

### 1/3 - 2/3 passenger door configuration

Increases the curb visibility thanks to the large glazing area.
